Vet Med Practicum- Practicum has started to shadow at the vet clinics to get their hours for the CVA test

September Recap

Temple FFA had a great start to the new year. We held our September Social and had an amazing turn out.

Temple FFA members participated in the first district meeting at Rosebud-Lott kickball tournament.

We also held the first Temple FFA Greenhand camp.

Our barn is full and ready for the show season.

If you did not get the chance to get into the barn no worries! Talk to Ms.Branton about a rabbit.

There are also many opportunities to do in FFA with out having an animal.

Moving Forward

Parents please join the booster club to help support our FFA Chapter, their meetings are during the student chapter meetings.

If your student is showing a lamb or goat please look at the validation date as it is very important one parent or guardian be there.

We have a district meeting Oct 12th, if your student signed up to this please look forward to an email being sent out. We have started our LDE practices and our first competition is Oct 20th.

These next couple of months will be very busy for our FFA Chapter, please sign up for our remind and follow us on Facebook for updates.

The remind code will be on the next page.
